

"

We are proud of our people (Staffs) who knows what they are doing to satisfy your (business) needs.

People Business

We aspire to be the best at what we do through fresh thinking, hard work, continual learning, and a sense of purpose. We take great pride in all our achievements.

Interactive Resources (IR) is QLD's staffing provider for an extensive range of occupations and industries all over QLD and beyond. We provide employees on a temporary, contract and permanent basis. Our company is based on a principle of mutual benefits for the employees and employers; our main objective is to provide the right people at the right time. We provide staffing solutions in a timely manner by locating capable and qualified workers to fulfil the needs of the job provider. We ensure the employees we provide exceed the needs and expectations of our client company.

We believe in **Team Work**

Our People

We respect, care about, support, and develop our people. We provide a safe workplace where individuals can explore opportunities, enjoy themselves and achieve a high level of job satisfaction.

Collaboration

We work as a team with a belief that collaborative achievement results in better relationships of long-term mutual benefit.

Integrity

We take responsibility, individually and as a team, for all that we do. Not only do we say what we believe but we put it into action as well.

01. Individuals, families, caregivers, government and non-government service providers have benefited from Interactive Resources' skilled disability support workers.

02. Our aged care recruitment experts are knowledgeable with the current market's staffing difficulties and will collaborate with you to build a talent acquisition strategy that is specific to your needs.

03. We invest heavily in our HR group for their persistent effort tracking down a best candidate to care for our children. We let them serve the best Child Care Centers across Queensland

A sneakpeek of our **Services**

To address the workforce shortage within the care industry after Covid-19, we are focusing currently on social service sector and have been supplying staffs to Disability, Aged Care and Child Care industry.

We provide employees on a Temporary, Contract and Permanent basis. We manage our organisation like a corporation to provide services that benefit both employees and employers.
